

Proof of Uipath orchestra:

The screenshot displays the UiPath Orchestrator web interface. The left sidebar shows the navigation menu with options like Tenant, My Folders, My Workspace, and Shared. The main area is titled 'Automations' and contains a table of processes. The table has columns for Name, Version, Job priority, Execution type, Compatibility, Entry point, Description, Labels, and Properties. A single process is listed with the name '39909476BernardSwanepoel', version '1.0.1', and job priority 'Medium'. Below the table, a success message dialog is open, stating 'Project published successfully. Name: 39909476BernardSwanepoel Version: 1.0.1'. The dialog includes buttons for 'Details', 'Copy to Clipboard', and 'OK'.

Name	Version	Job priority	Execution type	Compatibility	Entry point	Description	Labels	Properties
39909476BernardSwanepoel	1.0.1	Medium	Unattended	Windows (.net5.0 or high...	Main.xml	39909476 Bernard Swan...		

Project published successfully.
Name: 39909476BernardSwanepoel
Version: 1.0.1
